Dear Human Resources Team & Design Team,

I hope this message finds you well. I am writing to formally confirm my resignation from the position of Junior Design Engineer at Geco Legend Enviro Tech, effective **16-11-2024**. As discussed with the Design Leads on 12-11-2024 and with the HR team on 13-11-2024, I have decided to move forward with this decision after careful consideration of my personal financial requirements and long-term career goals.

This decision has not been an easy one, as I have truly enjoyed being a part of the team and contributing to the exciting projects at Geco Legend Enviro Tech. However, after careful consideration of my current financial needs and long-term career goals, I have decided to accept an offer from Janatics India Pvt. Ltd. that better aligns with my compensation expectations.

I want to make it clear that my decision is based purely on the financial aspect, and I have great respect for the company, the team, and the work we do. If circumstances change in the future, and there is an opportunity that fits my goals, I would be more than happy to rejoin Geco Legend Enviro Tech.

I am grateful for the experience, skills, and knowledge I have gained during my time here, and I am committed to ensuring a smooth transition during my notice period.

Thank you once again for the opportunity, and I hope to have the chance to work with you and the team again in the future.

Sincerely,

Vigneshwaran A
